

A large red Case IH combine harvester is shown in a field, harvesting crops. The harvester is positioned diagonally across the frame, with its header and auger visible. The background shows a field of crops under a cloudy sky. The harvester has 'CASE IH' and '8255' visible on its side. A large white arrow points from the harvester towards the title text.

CATÁLOGO COMPONENTES

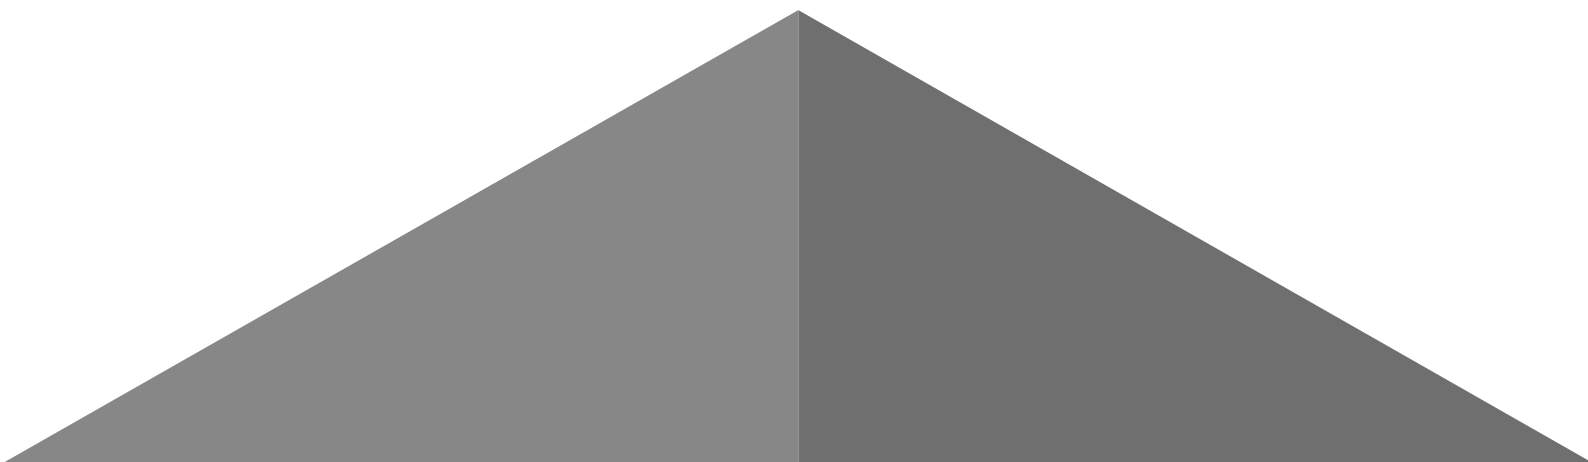

**RESISTENCIA
GARANTIZADA**

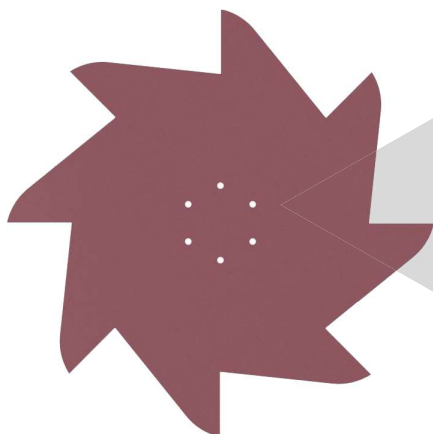

Nuestras piezas son desarrolladas para cumplir con los más altos estándares de calidad. Hechos con materiales de alta resistencia, ideales para el trabajo bajo condiciones extremas de cosecha, garantizando

EFICIENCIA, PRODUCTIVIDAD Y DURABILIDAD.
